THE PENNSYLVANIA EQUINE COUNCIL

And The Lehigh Valley Horse Council

PRESENT A

1-DAY TRAIL STEWARDSHIP WORKSHOP

Saturday, March 31, 2007

8:30 AM – 4:00 PM

Holy Cross Lutheran Church, Nazareth, PA

WHY: The DCNR, State Forest, State Park, National Forest and PA Game Commission agencies have had budget cuts and many of them have contacted the Pennsylvania Equine Council requesting assistance to help construct and maintain non-motorized shared-use trails. The agencies are reluctant to accept volunteers who have not had training. Without our assistance, trails and access will be severely restricted. This workshop is to prepare volunteers in order to have the necessary knowledge to work on trails.

WHO SHOULD ATTEND: All outdoor enthusiasts (particularly equestrians, hikers, and mountain-bikers) concerned about the future of recreational access to multi-use areas.
